

Sapphire 9 – No Rinse Sanitiser

Description

A high performance no rinse sanitiser based on quaternary compounds.

Features and Benefits

- The Sapphire concentrate product range is cost effective, safer for the end user and also lessens the environmental impact on our planet.
- GECA (Good Environmental Choice Australia) certified to the GECA 17-2007 Cleaning Product standard.
- Safe to use on food processing equipment and utensils and other food contact articles, followed by adequate draining, before contact with food when the product is diluted 1:150 with potable water. Reference FDA CFR21 178.10.10
- Designed for benches, table tops and equipment without the need to rinse.
- Safe for septic tanks and sewerage treatment plants, will not affect aerobic activity in industrial settling ponds and will not be detrimental to marine life when used in accordance with label directions.

Use Directions

Surfaces to be treated with NO RINSE SANITISER must be thoroughly cleaned and rinsed first. Fill spray bottle from mixing station. Spray onto surface that is to be sanitised and allow to dry. No rinsing is required. It is recommended that new solution be prepared daily to ensure optimum efficacy of the product.

Safety Information

Refer to our product safety information sheet (PSIS) for more information or consult your Chemform representative for further assistance.

Packages

3x2.5L, 6x750mL

At Chemform we care about the environment, our community and your safety by providing environmentally responsible products. The CHEMFORM GREEN range of products provides performance, quality and safety, as well as environmental sustainability by meeting our strict criteria:

- ✓ **Products containing detergents must use only those classified as readily biodegradable.**
- ✓ **Whenever possible, products made from plant based renewable resources are selected.**
- ✓ **Our CHEMFORM GREEN range contains no phosphates, oil-based hydrocarbons, chlorine, chlorinated hydrocarbons, carcinogens, alkyl phenol ethoxylates or heavy metals.**
- ✓ **Our CHEMFORM GREEN range is safe to use. Products must be classified as non-hazardous and non-dangerous.**
- ✓ **Industrial degreasers will be quick-breaking according to our stringent definition.**

- ✓ Waste will be minimised as we believe that the biggest environmental burden on the Earth is waste. All packaging used in the CHEMFORM GREEN range is recyclable, and can be returned to Chemform for processing.
