

Smart Choice Rinse Aid

Rinse aid

Description

SMART CHOICE RINSE AID is a highly effective, environmentally safe, dishwasher rinse aid.

Features and Benefits

- SMART CHOICE RINSE AID enables dishes and cutlery to drain sparkling clean even in hard water.
- SMART CHOICE RINSE AID eliminates streaking and spotting.
- Very fast drying time. SMART CHOICE RINSE AID assists articles to dry rapidly, facilitating swift return of tableware for re-use.
- SMART CHOICE RINSE AID reduces labour costs by eliminating manual drying of dishes.
- SMART CHOICE RINSE AID removes the possibility of cross-infection by eliminating the use of tea towels that in many instances are contrary to health regulations.
- SMART CHOICE RINSE AID is safe on all metals encountered in dishwashing machines.
- SMART CHOICE RINSE AID is readily biodegradable and phosphate free.
- SMART CHOICE RINSE AID is suitable for septic tanks and waste water treatment systems

Use Directions

SMART CHOICE RINSE AID is made specifically for use in dishwashers.

Your Chemform representative will adjust the chemical strength to suit your particular needs.

The product is dosed automatically by electronic dispensing equipment supplied and serviced by CHEMFORM.

The temperature of rinse water should be kept between 80-85°C for optimum performance.

Safety Information

Refer to our product safety information sheet (PSIS) for more information or consult your Chemform representative for further assistance.

At Chemform we care about the environment, our community and your safety by providing environmentally responsible products. The CHEMFORM GREEN range of products provides performance, quality and safety, as well as environmental sustainability by meeting our strict criteria:

- ✓ **Products containing detergents must use only those classified as readily biodegradable.**
- ✓ **Whenever possible, products made from plant based renewable resources are selected.**
- ✓ **Our CHEMFORM GREEN range contains no phosphates, oil-based hydrocarbons, chlorine, chlorinated hydrocarbons, carcinogens, alkyl phenol ethoxylates or heavy metals.**

- ✓ Our CHEMFORM GREEN range is safe to use. Products must be classified as non-hazardous and non-dangerous.
- ✓ Industrial degreasers will be quick-breaking according to our stringent definition.
- ✓ Waste will be minimised as we believe that the biggest environmental burden on the Earth is waste. All packaging used in the CHEMFORM GREEN range is recyclable, and can be returned to Chemform for processing.
