

# Enviroblocks

Solvent free toilet blocks

### Description

ENVIROBLOCKS three-way cleaning & deodorising action provides a heavy duty cleaner to emulsify soils, a long-term deodoriser which masks, absorbs & neutralises malodours and a safeguard against uric acid encrustations. ENVIROBLOCKS are designed to dissolve with water and urine and wash down the drain. Most odours come from the drain – ENVIROBLOCKS keep the drain clean and odour free.

### Features and Benefits

- Environmentally 'friendly' - contains readily biodegradable surfactants.
- Does NOT contain hazardous chlorinated solvents or phosphates.
- Excellent hard water tolerance and rinsability
- Long lasting, re-odorising fragrance
- Will not block drains

### Product Specification

Appearance: Solid mini discs, orange colour/citrus fragrance.  
Weight: 40 grams.

### Use Directions

Place several Enviroblocks in the urinal channel far away from the drain. Replace Enviroblocks as they are consumed.

### Safety Information

Refer to our product safety information sheet (PSIS) for more information or consult your Chemform representative for further assistance.

### Packages

10Kg

**At Chemform we care about the environment, our community and your safety by providing environmentally responsible products. The CHEMFORM GREEN range of products provides performance, quality and safety, as well as environmental sustainability by meeting our strict criteria:**

- ✓ **Products containing detergents must use only those classified as readily biodegradable.**
- ✓ **Whenever possible, products made from plant based renewable resources are selected.**
- ✓ **Our CHEMFORM GREEN range contains no phosphates, oil-based hydrocarbons, chlorine, chlorinated hydrocarbons, carcinogens, alkyl phenol ethoxylates or heavy metals.**
- ✓ **Our CHEMFORM GREEN range is safe to use. Products must be classified as non-hazardous and non-dangerous.**
- ✓ **Industrial degreasers will be quick-breaking according to our stringent definition.**

- ✓ Waste will be minimised as we believe that the biggest environmental burden on the Earth is waste. All packaging used in the CHEMFORM GREEN range is recyclable, and can be returned to Chemform for processing.
