

Sapphire 8 – Cleaner/Sanitiser

Description

Multi-purpose quaternary based sanitiser which cleans, deodorise and disinfects in one action with a long lasting fragrance.

Features and Benefits

- The Sapphire concentrate product range is cost effective, safer for the end user and also lessens the environmental impact on our planet.
- GECA (Good Environmental Choice Australia) certified to the GECA 17-2007 Cleaning Product standard.
- A strong odour-masking disinfectant and deodoriser with a powerful cleaning action that leaves surfaces clean and perfumed with a pleasant long lasting fresh fragrance.
- Ideal for cleaning and mopping all hard surfaces including polished floors, tiled areas, fittings, glass and walls, toilets, washrooms, bars, food, garbage disposal areas, rubbish bins, drains, animal houses and other areas where odours are a problem.
- A multi-purpose product which can be used as a spray & wipe, air freshener or for mopping floors.
- Safe to use on all surfaces without the need to rinse.
- Safe for septic tanks and sewerage treatment plants, will not affect aerobic activity in industrial settling ponds and will not be detrimental to marine life when used in accordance with label directions.

Use Directions

Spray & Wipe

Fill spray bottles from mixing station. Spray onto surface to be cleaned or sanitised. Wipe off with a clean absorbent cloth.

Floors

Fill bucket from mixing station. Mop the area, remove any excess moisture. Allow to air dry.

Air Freshener

Fill spray bottle from mixing station. Spray into air so that a fine mist is formed.

Safety Information

Refer to our product safety information sheet (PSIS) for more information or consult your Chemform representative for further assistance.

Packages

3x2.5L, 6x750L

At Chemform we care about the environment, our community and your safety by providing environmentally responsible products. The CHEMFORM GREEN range of products provides performance, quality and safety, as well as environmental sustainability by meeting our strict criteria:

- ✓ **Products containing detergents must use only those classified as readily biodegradable.**
- ✓ **Whenever possible, products made from plant based renewable resources are selected.**

- ✓ Our CHEMFORM GREEN range contains no phosphates, oil-based hydrocarbons, chlorine, chlorinated hydrocarbons, carcinogens, alkyl phenol ethoxylates or heavy metals.
- ✓ Our CHEMFORM GREEN range is safe to use. Products must be classified as non-hazardous and non-dangerous.
- ✓ Industrial degreasers will be quick-breaking according to our stringent definition.
- ✓ Waste will be minimised as we believe that the biggest environmental burden on the Earth is waste. All packaging used in the CHEMFORM GREEN range is recyclable, and can be returned to Chemform for processing.
