

Hand Care

Antibacterial Hand Soap

Description

Antibacterial hand soap formulated with natural ingredients and soothing skin moisturizers and emollients. It can be used safely in hospitals, offices, heavy industry and food preparation areas with confidence.

Features and Benefits

- Hand Care is a truly superior product providing gentle but very effective cleaning.
- Replaces oils lost through frequent washing and helps prevent drying and cracking of the skin.
- Has powerful antibacterial properties which provide residual germ fighting action, even after rinsing.
- Hand Care is approved for use in registered export meat establishments.
- Perfume free formula ensures food products are not tainted.

Use Directions

Apply HAND CARE to wet hands. Rub until a rich lather is produced. Rinse off with fresh water.

Safety Information

Refer to our product safety information sheet (PSIS) for more information or consult your Chemform representative for further assistance.

At Chemform we care about the environment, our community and your safety by providing environmentally responsible products. The CHEMFORM GREEN range of products provides performance, quality and safety, as well as environmental sustainability by meeting our strict criteria:

- ✓ **Products containing detergents must use only those classified as readily biodegradable.**
- ✓ **Whenever possible, products made from plant based renewable resources are selected.**
- ✓ **Our CHEMFORM GREEN range contains no phosphates, oil-based hydrocarbons, chlorine, chlorinated hydrocarbons, carcinogens, alkyl phenol ethoxylates or heavy metals.**
- ✓ **Our CHEMFORM GREEN range is safe to use. Products must be classified as non-hazardous and non-dangerous.**
- ✓ **Industrial degreasers will be quick-breaking according to our stringent definition.**
- ✓ **Waste will be minimised as we believe that the biggest environmental burden on the Earth is waste. All packaging used in the CHEMFORM GREEN range is recyclable, and can be returned to Chemform for processing.**
